| 1. | Page 21 | E. Evaluation Plan | <p>Q. If we are going into Year 3 of our grant and are planning an evaluation, are we correct in setting a timeline of developing tools, collecting data, analyzing data, and reporting data by the end of the next service year?</p> <p>A. Yes. Organizations must read and comply with the CNCS Evaluation requirements within the three year grant award period. Many organizations intentionally complete the program evaluation and evaluation report in time to include the report with the renew grant submission, which may or may not be the end of the next service year.</p> |
